INTRODUCTION TO AEROGO AND ITS MISSION

AGES
8yrs - 18yrs

"AEROGO is a leader in STEAM education, providing expert classes and hands-on experience in top tech skills like aeromodelling, drone technology, and astronomy. Our mission is to inspire a love of learning and empower the next generation of tech enthusiasts. As a trusted partner for schools and institutions, we offer a comprehensive program that enhances the STEAM curriculum and provides students with a foundation in the technology shaping the future. With our dedicated team of experts, curated kits, and extensive library of materials, AEROGO is the ideal choice for institutions looking to elevate their STEAM curriculum and give their students a competitive edge.

THE BENEFITS OF PARTNERING WITH AEROGO

Increased enrollment: Partnering with AEROGO can help increase enrollment by offering students a unique and exciting learning opportunity not found at other schools.

Improved school reputation: Offer cutting-edge STEAM education and establish your school as a leader in the field, improving your reputation and attracting more students.

Profit sharing: Participate in our profit-sharing program and benefit from the success of our partnership.

Customizable program: Our partnership program is customizable, allowing schools to choose the courses that best meet the needs of their students and their curriculum.

Marketing support: Receive marketing support from AEROGO, including the use of our branding and materials, to promote the program and increase visibility.

Continued support: Benefit from ongoing support and resources from AEROGO, including talks from experts, regular updates on industry developments, and more.

WHAT DO WE OFFER ?

1. A dynamic and engaging yearly curriculum that keeps you updated with the latest trends and skills
2. Workshops and training programs designed to help you deepen your knowledge and understanding with hands on experience.
3. A skill development cum internship program that provides hands-on experience in a real-world setting
4. Exciting air shows and pro shows that showcase the best of the industry.
5. Summer camps that are packed with fun, learning, and adventure.

Offer your students a competitive edge with cutting-edge tech skills.

Enhance your STEAM curriculum with AEROGO's partnership program
